

## I AM This Day Affirmation

*Instructions:* Give this affirmation first thing in the morning. It is best to sit in a comfortable chair (or in bed) in a quiet place so you can take a few seconds to attune your attention to your heart. Give this affirmation softly and slowly and take time to visualize and feel each statement.

**In the name of Jesus Christ, in the name of the I AM THAT I AM within me, in the name of the Living Christ within me, I hereby consciously withdraw my attention from all involvement with the things of this world. I lovingly give my full attention to the Christ Self and the I AM Presence within me.**

*Instructions:* Take a few seconds to truly feel your Christ Self and I AM Presence in your heart.

**Oh God, I lovingly surrender myself entirely unto you. I give my all to you. I withhold nothing from you. I am willing to lose this mortal sense of identity to win the immortal life of the Christ consciousness.**

**Oh God, I confess that I of my own self can do nothing; it is the I AM Presence within me who is the only true doer. I therefore invite my I AM Presence and Christ Self to come into my mind and be yourself in action through me this day. I affirm that with God all things are possible, therefore my Presence works hitherto and I work.**

**I therefore go forth as the Living Christ on Earth and bring Christ perfection into all situations I encounter this day. I AM this day the Living Christ on Earth. I dedicate myself to Christ Victory, and I see only Christ perfection.**

**In the name of the I AM THAT I AM, I call directly to the Sacred Heart of Jesus Christ and to my Christ self to come into my being and give me the inner direction that I need in order to overcome all inner and outer limitations and be free to serve God. Oh Jesus, I declare that I am willing to be God-taught, and I am willing to look at any imperfections in my life and personal psychology that need to be changed. I am willing to hear what I need to hear and not just what my ego and carnal mind want to hear. I am willing to look at and overcome all limitations that are holding me back from being who I truly am, from being a Christed one in embodiment. Jesus, give me the single-eyed vision of how to win my personal Christhood, so that I can fulfill my soul's purpose for coming to Earth and win my ascension in the Light.**

**In the name of Jesus Christ, I call to Archangel Michael and my Christ self to protect me and cut me free from all external and internal forces that could interfere with my accurate communion with Jesus. I call especially for the binding of my personal ego and all carnal desires and for the exposure of any false ideas that might be projected into my mind from within or from without.**

**I call to the Holy Spirit and my Christ self to stand guard and give me the discernment of spirits that allows me to accurately read the vibration of truth and the vibration of untruth. In the name of my Lord and Savior Jesus Christ, I challenge the spirits, within or without, to show forth your light, and I call to Archangel Michael for the binding of all spirits that are not of the light. I accept it done this hour with the full power of Jesus Christ. Amen.**
